HEADLINE: Maurice Sasson reported buying Nakash Kikit stake; sportswear line

BODY:
MAURICE SASSON REPORTED BUYING NAKASH KIKIT STAKE

NEW YORK (FNS) -- Maurice Sasson, along with several unnamed financial backers, is planning to purchase the 80 percent Nakash brothers' stake in Kikit, according to an industry report.

Sasson, who designs the Kikit men's and women's sportswear line, holds the remaining 20 percent of Kikit, according to the report.

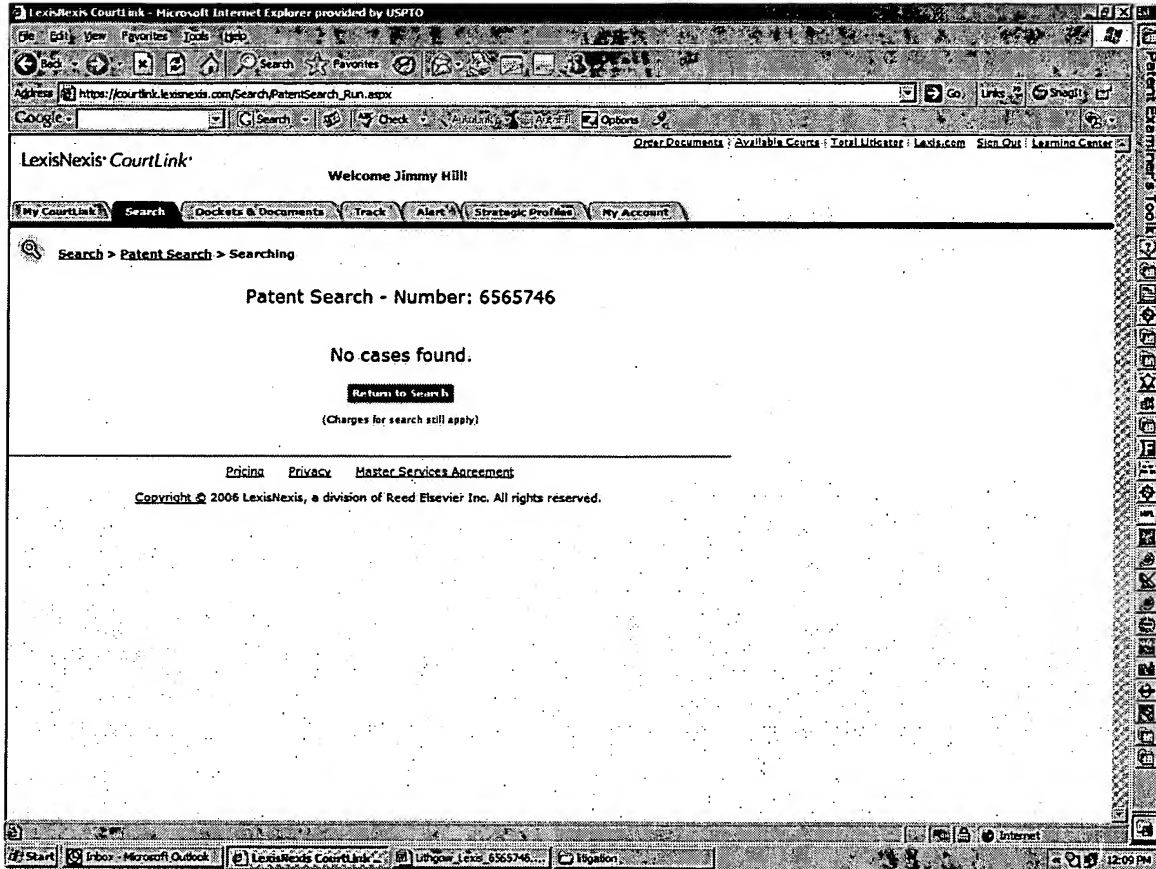

Negotiations over the purchase have reportedly been going on for months and are expected to become final within a week. No price for the Nakashes' stake was given.

Neither Sasson nor Joanna Bell, Kikit vice president, would comment on the report. Bell said Kikit is enjoying its best times ever, with sales and profits up and more shops-in-stores opening.
